PETITIONING THE COURT

To modify the conditions of supervision as follows:

CAUSE

As the Court may recall, on May 20, 2009, this office notified the Court that Mr. Jones had been arrested by the Texas Department of Public Safety for DWI-1st (Class B Misdemeanor) and that Mr. Jones had failed to notify the U.S. Probation Officer he had been terminated from his employment. As a corrective measure, Mr. Jones agreed to participate the random drug testing program as well as substance abuse outpatient treatment. At the time, the Court chose to take no action.

On June 29, 2009, Mr. Cedric Jones reported to the U.S. Probation Office to discuss various alleged violations of his term of supervised release. As such, during this office visit, he admitted he had failed to notify the U.S. Probation Office within 72 hours of being arrested for Assault on June 18, 2009; that he had failed to work regularly at a lawful occupation for the last three months; and that he had failed to attend a scheduled substance abuse evaluation on May 18, 2009.

As apparent by his behavior over the course of the last few months, it appears that Mr. Jones could benefit from a more structure environment. Therefore, it is respectfully recommended the Court modify Mr. Jones term of supervised release to include a placement of up to 180 days in a community corrections center or community sanction center.
